

JUNE 2017

What are we learning about?

- *Picnics
- *All About Dad
- *Beach
- *Camping

Our circle time structure will be changing a bit, due to summer schedule, as well as incoming children who are younger in age. We will continue to focus on color and shape recognition, letter and number recognition within the older group, as well as communication and cooperative learning for all.

Mark Your Calendar!

Monday, June 12th: Happy Birthday, Daphne!

Friday, June 16th: Donuts with Dad and Take 5 Activity

Sunday, June 18th: Happy Father's Day!

Some Friendly Reminders!

With summer arriving, please have your child's spare clothing updated with weather appropriate attire. We ask that all shoes have backs to them - no flip flops, please.

Water play will begin on Thursday, June 22nd! Keep an eye out for a letter from Miss Courtney and Miss Destina in regards to procedures and what your child needs for that day!

If you have not done so already, please provide sunscreen and bug spray (if you choose) for your child. Give it directly to a teacher (do not leave in cubby!), so they can store it properly and have you sign a permission slip for use.

All individual lunch items MUST be labeled. This is for safety purposes in regards to allergies (there are multiple children with allergies in our room).

If you are bringing breakfast for your child to eat at school, please make sure they arrive before 7:00am. If your child arrives AFTER 7:00 am, please be sure to serve them breakfast at home.
