Dear Prekindergarten 1 Parents

We are really excited because Spring is coming! We can't wait to have beautiful weather and see the beautiful flowers Spring brings. We are planning different activities in March, beginning with Dr. Seuss's birthday on the 2nd. We are going to read books about Dr. Seuss during the week. Kids love them!!! Our curriculum for this month is going to be about space, St Patrick's Day, and Spring.

We are going to have a party to celebrate St Patrick's Day on Friday March 16th. We appreciate your cooperation putting your name next to any item you can bring. ☺

It felt really good to see our kids excited to learn about Dental Health; they really did a great job. Thank you parents for your help at home!!! ☺

We are going to incorporate more Spanish in our circle time. Kids like to use and practice the words that they learn and I love to hear them talk in Spanish!!!
