Monthly Reminders:

- We ask that you send your child with appropriate items to enjoy the weather (Weather appropriate coat, mittens, hat) ALL LABELED.
- ATTENTION TOILET TRAINERS: We ask that you send your child in with their underwear on (pull up with underwear on top) this way we don't have to use our spares to put them in underwear for the day. With that being said, please have **THREE** extra changes of clothes and underwear daily for your toilet trainer!
- As always, please continue to practice hand washing with your child upon arriving and departing the classroom.
