Please send your child to school with a hat, gloves and a jacket daily. I want everyone to be warm and have fun outside when we play!

Last Month:

Graduation is quickly approaching! We have been busy practicing our songs and working on a special project for a month already! We can't wait to show everyone what we've been busy doing in the classroom! Please talk at home about the importance of participating in graduation practice at school. It will be here before we know it!
