

2019

**Dear Parents:**

Spring is finally here. It's a cold one, but it's here! We hope the temperature starts getting warmer because we like play outside. We had a fun day celebrating St Patrick's Day with an amazing Leprechaun visit. It was amazing to see the expression in our kid's faces as they saw the footprints he left and the mess that the Leprechaun made in our classroom, they had a fun day

In April we are going to learn about Earth and how to take care our planet, bugs. In April we are celebrating the week of Young Child, we are going to have some activities for this week. And we also are going to learn about Easter.

Finally, we ask all parents to help us in keeping our room germ free for your children. Please remember that is necessary for parents to wash your children's hands before dropping them off. Thanks in advance for your cooperation with this important matter. ☺

**Important days**

Week of 4/8 Week of the Young Child

Thursday 4/ 18 Easter Egg Hunt/Easter bunny
