

**Brookside Children’s Early Education Center (BCEEC)**  
**School Age 2020-2021 School Year Pricing Options**

**Communication between Parents, Brookside, Teachers and Children WILL be the KEY to a Successful School Year! If you register here at Brookside for our “Hybrid” model, our goal is to have a partnership with our parents and the school district as we navigate this new normal. Parents will be responsible to check all assignments and communicate specific needs and assignments for each week. We are here to help assist your child, not teach classroom lessons. Brookside is not responsible for your child’s grades. Our Schedule will include a time for on-line learning, Large Group meetings, Art, Outdoor time, and Free Play.**

**Your student’s pricing is subject to change if the School District’s Learning Plan changes throughout the year. If your needs change due to changes made by the school district, you are still subject to our Termination process, no exceptions. If children return to full time face-to-face learning without early dismissal, then our rates will return to the original rates on our current Tuition Form.**
