

January 2021 School- Age

The students love taking breaks away from their desk while completing their schoolwork. They have options sit on or under the tables, at the teacher desk, on yoga balls, cozy area, or wherever they wish.

Reminders:

1. We go outside in the afternoon
2. Please send in coats, hats, gloves, and scarfs (they can be kept here)
3. We are a nut free facility, please do not send in any nut products

ART

The children really love art!

We are working with them to take their time on their art and take credit for it.

They enjoy the following step by step projects or free hand art.
