

PRE-K

September 2021

Welcome to the PreK Classroom! We are so excited to work with your family this school year. Here are a few goals for the PreK classroom:

1. Great parent-teacher relationships with open communication . This helps foster a great learning environment for the children.
2. Journaling pages will be used throughout center time.
3. Working on developing fine motor writing grips during journal time.
4. Building independence with daily task. For example, unpacking their lunch in the morning or putting their clothing on.
5. Numeral and alphabetical order and awareness
6. Fostering a healthy social-emotional environment.
7. Have Fun!

Reminders:

1. Cot Sheets should be sent in on Mondays for the week. They will be sent home on Fridays to be washed.
2. All lunch items must be clearly labeled with your child's name.
3. We are a nut free facility, we do allow for the substitution such as pea butter or sunflower butter.
4. Spare clothing should be sent in to be kept at BCEEC.

Potty Training

If a goal for your family is potty training please let us know. We would like to know what works and what doesn't at home.

If your child needs pull-ups please make sure they have **adjustable straps**.

Please take the time to begin this process at home and we will continue this at Brookside.

September Birthdays:

9/2 Damian turns 4!

9/13 Ray turns 4!

Quiet Bag Ideas:

Coloring books/sketch pad with crayons
(markers dry out fast and pencil break)

Doodle boards

Books

Lacing cards

Small fidgets

Check out Pinterest for other great ideas.
