Hello Families!

We are so excited to welcome everyone to Preschool, where we love to learn about the world through play and exploration! Miss Nicole, Miss Erin and I are SO excited to learn about your children, to get to know them and to bond with them. Just as the children do, we learn as we go through trial and error, which means changes might occur to our schedule and our daily plans, and that is perfectly ok! If you have any questions or concerns at any point, feel free to send a message through the Remind app, or you can schedule a conference.

We look forward to getting to know each of you and your children!
Miss Danielle, Miss Nicole and Miss Erin
