

# Pre-K 2 November 2021 Newsletter

In October we learned so much, we worked together as a team and pinned down our schedule for the class that really works well for all of us. Our Pre-K 2 friends are always eager to learn and be big helpers.

The classroom jobs will continue , we switch our jobs every Wednesday. They are so proud to have responsibilities in the classroom. We have a Line Leader, Caboose, Door Holder, Snack helper, Lunch Helper, Light Monitor, Nap Time Helper, Center Checker, Circle Time Helper and Safety Patrol.

We will finish off our Lesson about “Make it Move” and then go to a new Lesson called “Traveling, Traveling”. We will also explore the origin of Thanksgiving and talk about what we are thankful for. Our Journals will also be continued to help continue our learning with our letters, numbers, shapes and our writing.
