

# Pre-K 2 April Newsletter

It's *SPRING!* Warmer weather has begun, keep in mind that we do go out in the morning and it is still chilly for us on some days, please send in an appropriate jacket or sweater for the day. Water bottles need to be labeled with your child's name and it can stay here for the week or brought home nightly. We will be having an Easter Celebration in Pre-K 2 on Wednesday April 13<sup>th</sup>. Lunch will not need to be packed for that day and a sign up sheet will be posted on the door of items to bring in. If there are any items listed that you would not like your child to have let me know and a replacement can be sent in. Thank you! Some really fun lessons are planned for this month we have ***Exploring Changes*** and ***Fun with Fairy Tales***.

## **Exploring Changes**

Flowers sprout. Children grow. Caterpillars turn into butterflies. Our next unit, "Exploring Changes" focuses on all of the changes that take place in our world...including how people change as they grow and develop. During the course of this unit, the children will be honing their observation skills as they look for changes in themselves, their pets and things that are growing in the environment. Even metamorphosis will be a part of this exciting unit!

## **Fun with Fairy Tales**

Goldilocks. Jack. The Wolf. These are just a few of the characters the children will meet during our next unit, "Fun with Fairy Tales." Most children love fairy tales and fables and enjoy hearing them again and again. This repetition is an excellent way for them to build vocabulary, comprehension skills and so much more.
