

March

Winter, Spring, Summer, Fall,
There are Seasons,
Four in all!
Look outside and you will see, It is SPRING, yes-siree!

What's the most important trait you'd like to develop in your child? If you're like most parents, intelligence is probably at the top of your list. We all want bright, smart children, which is why we spend so much time choosing the right schools and making sure teachers are exceeding expectations. But remember: as a parent, you have the power to boost your children's learning potential simply by making books an integral part of their lives.

Dates To Remember:
