

INFANT 2 NEWSLETTER

APRIL 2018

The focus this month will be on the holiday Easter and the spring season. We will be singing songs, doing art projects and reading stories based on the spring season. Some books include:

1. My Easter Book
2. Home for a Bunny
3. Follow that Egg

I would like to wish Quinn well in her new room, I will miss her but know she will have lots of fun exploring her new surroundings. I would also like to welcome Joey to the Infant 2 room. I'm looking forward to watching him learn and grow in his new room.

Please remember to bring in appropriate jackets for the weather outside, we will try to get out often, weather permitting.

If you have any questions or concerns you may contact me between 7:00 and 4:00

Miss Renee
