

Preschool April Newsletter

In March, we learned about Dr. Seuss, celebrated St. Patrick's Day, and talked about weather and Spring! In April, we will be learning about farms, Earth Day, and the Week of the Young Child!

Dates to Remember:

- ★ April 16-20- Week of the Young Child!
- ★ April 22- Happy Earth Day!

Birthdays:

- ★ April 7- Happy 3rd Birthday Maya!

Reminders:

- Please remember when packing your child's lunch that we are a nut free center!
- With cold and flu season here, please remember to have your child wash their hands upon arrival each morning.
- Please update your child's clothing in their cubby, making sure it is seasonally appropriate as well as the correct size! Make sure you include 1 shirt and 1 pair each of pants, underwear, and socks.
- All bedding for nap should be brought on a Monday and washed on a Friday.
- Due to lack of space in the cubbies because of heavier winter items, please **NO PILLOWS** for nap, and **NO BACKPACKS!**
- Please put cold food items and heat up items in separate containers.
- There are separate cold and heat up bins in the classroom refrigerator. There is also a non-refrigerator bin on the counter for items that can be kept at room temperature.
- We are also asking that you bring food for lunch ready to be served! We will continue to heat up food, but we ask that no other preparation be required to make your child's lunch. For safety reasons, please be sure to cut up large fruits, meats, and food pieces.
- Due to safety reasons, we are asking that you no longer send glass containers in your child's lunch.
- Please label all of your child's items (ex. Lunch items, extra clothing, etc.)
- Please sign your child in and out each day. The clipboard is located on top of the cubbies and below the bulletin board.
- Please remember to dress your child appropriately for the weather. We go outside everyday when the temperature is 25°F and above. LABEL all gloves, coats, etc.
