

PRE-K1 NEWS

April 2018

Welcome to April!! Spring is in full swing and we are so excited for warmer weather! During the month of April we will learn about spring and the changes that happen. We are going to explore nature outside and talk about how we can take care of the Earth as we celebrate Earth Day. We also have a fun week planned for celebrating children for The Week of the Young Child.

JUST A NOTE ...

**Please remember we go outside EVERY DAY (weather permitting) if the temp. is 25 degrees or above. Dress accordingly! Please make sure all items are labeled. Thanks!

**Please return homework folder with completed homework each Monday. (Or the first day of the week your child is here.)

Please make sure to check your child's **GREEN folder each day for important papers or artwork that is being home. Thanks!
