

INFANT 2 NEWSLETTER 2018

The focus this month will be on Mother's Day. We will be singing songs, doing art projects and reading stories based on the holiday. Some book include:

- 1. Just Like Mommy***
- 2. My Moms Great***
- 3. I Want My Mommy***

I would like to welcome our new friend Avery to Infant 2, she has adjusted very nicely to the room and loves playing with her new friends.

Now the weather is getting nice out, we will be going outside (weather permitting) every day. Please bring in labeled jackets and shoes for your child. You may also start bringing in sunscreen, Parents should apply it in the morning and we will apply it in the afternoon.

If you have any concerns or questions you may contact me between 7:00-4:00

Miss Renee
