

Wow! This Summer has flown by! It is so hard to believe we will be going back to school at the end of this month.

This month's themes are ... Kids in the Community, Exploring Nature, Jungle, Jungle, Jungle! and If you Build It, They Will Come. The curriculum is based on each week's theme.

Important Dates to Remember

Friday, August 24th: Last Day of Camp

Monday, August 27th: Back to School

Important Things to Remember

- * Please pack a water bottle daily for your child. Please take water bottle home at end of night, wash it and return it for the next day.
- * Every other Fridays and the first Monday in August are Water Play days. Please come to daycare in your bathing suit and water shoes. Please bring in a towel and bag of change of clothes. Please label everything.
- * Please pack your child's lunchbox with an ice pack. We do eat on field trips and your child's lunch is in their bag for an extended period of time, therefore an ice pack is needed.
- * Please check the field trip schedule for Arrive By times- please note that some arrive by times are early so I try to have AM Snack ready before we leave.

It has been a wonderful summer so far! I am enjoying all the fun we are having daily and look forward to an exciting month! If you have any questions or concerns, please don't hesitate to speak to either myself or Miss Hannah. The door is always open.

- Miss Angela (7:30-4:30) and Miss Hannah (8:00-5:00)
