

October 2018 Brookside Road Center Wide Newsletter

Brookside Children's Early Education Center

Fall is such an exciting month for children. Think about all the changes that occur right in front of them. Leaves changing colors, acorns falling, pumpkins, apples, corn stalks,, hay rides, scarecrows, cooler weather, and Halloween! Some great ways to enjoy this time with your child is by taking them to a local pumpkin patch, rake the leaves in the yard, or even just going for a walk to look for Fall in the neighborhood. Have fun spending some special time with your child this fall!
