

PRE-K1 NEWS

March 2019

Hello March! What a fun and exciting month March is! The beginning of the month will be spent celebrating Dr. Seuss. We have an entire week of special activities planned! During the rest of the month, we will review our ABC's and 123's and talk about weather. We have a colorful week planned learning all about rainbows and fun St. Patrick's day activities planned. It's going to be lots of fun!

JUST A NOTE ...

**Please remember we go outside EVERY DAY if the temp. is 25 degrees or above. Dress for the weather! Please make sure all hats, mittens, coats etc. are labeled. Thank you!!

** Please make sure to have your child wash their hands upon arrival before playing in the classroom. Thanks!

**Please keep all TOYS/STUFFED ANIMALS at home unless it is Show-N-Tell Week. Show-n-tell is the first week of the month, and you can pick any one day during that week to share. Thank you for your cooperation!

DATES TO REMEMBER...

Feb. 25- March 1— Dr. Seuss Week—Fun activities planned each day this week.

March Birthdays

Matthew M.-P. 3/19/15

Matthew Hicks 3/21/14

If you have any questions or concerns please feel free to talk to us! Happy March! 😊
