Important Things to Keep In Mind

- As the weather gets warmer, we plan on spending a lot of our time outside (reading books and learning, or just playing). Please dress your child according to the weather. It is always safe to send in a zip up sweatshirt or sweater to keep at school for days when we are inside or when it is cooler out. Please label your child’s clothing.
- Since we are finished the alphabet, please check the board or your child’s cubby to see what Show and Tell is for the upcoming week.
- Please continue to take your child’s quiet bag home and change out the items inside to “freshen” it up for the following week.
- If you have any questions, please feel free to come to me. If I am not outside, chances are, I am downstairs in the Kindergarten room.

I look forward to a wonderful Spring. It is so hard to believe that Summer is right around the corner and then shortly after is the 1st day of Kindergarten!

- Miss Angela
