

## Infant 1 Newsletter

Last month we had lots of fun welcoming spring and enjoying our Easter festivities. Thank you to everyone that participated and helped out during Week of the Young Child. Our newest baby Liam E, is has adjusted well to our room and his new surrounds and loves to watch his friends play around him. Our friends Graham and Liam R. moved up to Infant 2 and are adapting well to their new room.

This month we will be learning about Mother's Day, Garden, and Community Helpers. We are going to be having lots of fun with making special crafts for our moms and getting to know our community helpers. We will be making a special Take 5 project with mom as well on the 10th of May. Please come in a few minutes earlier at drop off or pick up to make a special craft with your child.

### Important Dates:

10th- Take 5 Project with mom

12th- Mother's Day

27th- CLOSED Memorial Day

~Miss Tiff and Miss Kristi~
