Important Things to Remember

Please label all belongings brought into Brookside.

Sunscreen/Bug Spray forms are located outside the office if needed. We do apply bug spray in the morning and afternoons. We apply sunscreen in the afternoon. We ask that parents apply sunscreen before arriving at Brookside in the morning.

Nap belongings are to be brought in weekly and taken home and washed on your child's last day for the week.

Extra clothing is in a labeled bin close to your child's cubby. Please locate it and exchange/replace the clothing as needed.

We look forward to a wonderful July! Hopefully the rain gives us a break now and then so we can spend more time outside!
