Brookside Children's Early Education Center

675 N. Brookside Road

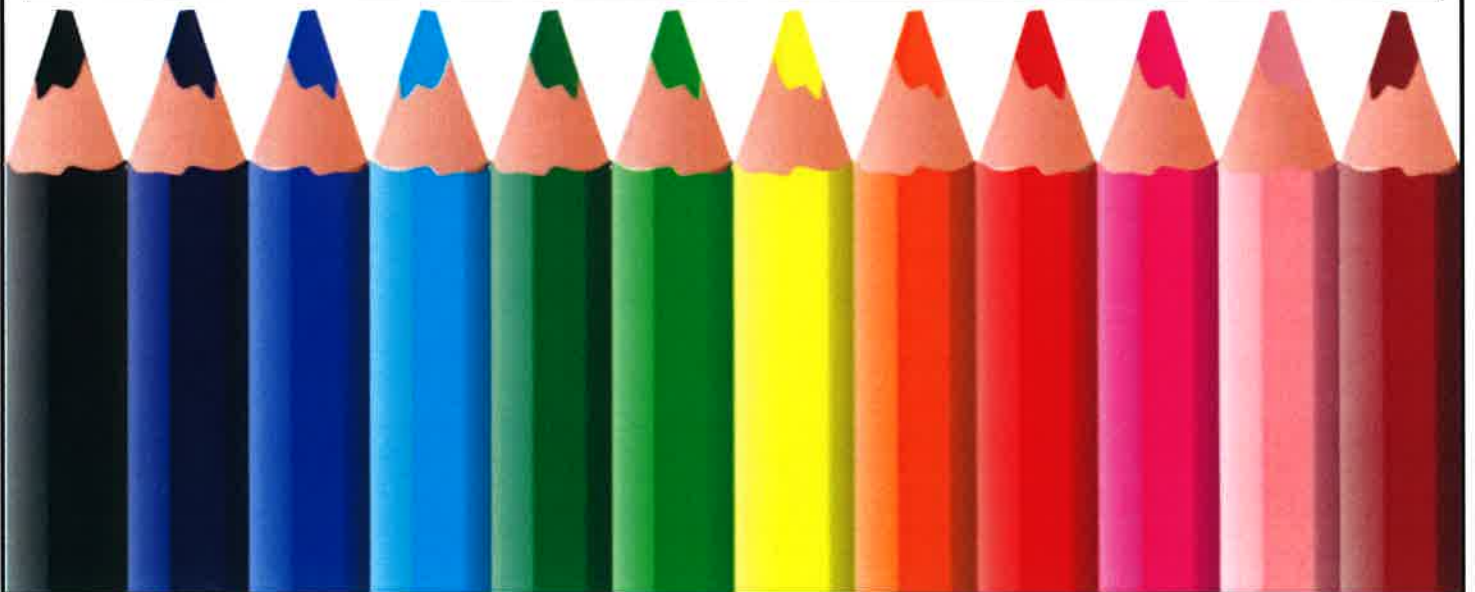

Hello Brookside Families,

Welcome to the 2019-2020 school year. This is such an exciting time for you and your child. The first day of every school year will mark an important milestone in your child's life. The skills we practice daily at Brookside are the building blocks for your child's future success in school and in life. We are committed to making this year one of excitement, growth, and opportunity, both academically and socially. Your child will become inches taller, months wiser, more responsible, and more mature. Although they would have attained this growth in spite of us, it is our pleasure and privilege to watch their personalities unfold here day-by-day. We will guide and encourage your child, celebrating each step of the way as he or she gains a love of learning, self-confidence and the academic skills that form a foundation for continued success. Brookside will care for each child's individual and social needs throughout the year and show them that school is a safe and consistent place to learn and explore. Our Brookside teachers love what they do and look forward to caring for, supporting, and encouraging your child daily as we embark on the wonderful adventure of learning. Thank you for allowing us this important opportunity in your child's life.
