## Pre-Kindergarten 2 Newsletter September 2021

Welcome to the 2021-2022 school year! I am so excited to start the new school year in Pre-Kindergarten with such an awesome group of kids! I am so excited to get to know each and every one of them! This month we start our new curriculum, Gee Whiz! This month's two themes will be The Forest and Friendship, along with some letters, numbers, and writing!

### Just some reminders...

Most of these reminders were in our welcome packet as well, but just in case you missed something...

- Please remember to label everything! Lunch boxes, extra clothing, jackets, masks, cot sheets and blankets all need to be labeled so they don't get mixed up or sent home with another child.
- We go outdoors everyday if the temperature is between 30-90 degrees. It will be getting cool soon and the kids will need their jackets. Please apply bug spray and sunscreen prior to coming to school. It will be reapplied in the afternoon.
  - Please remember our center's closed toe shoe policy.
  - Please join the Remind App if you haven't already done so. It makes communication so much easier. We will also send updates, pictures, and daily activities when able.
