

# HELLO September

In the blink of an eye, summer is over! It's back to school time! We had such an amazing summer and can't wait to see what this new school year brings us! We will be welcoming some new friends to our classroom and saying goodbye to some as well. This month we will be officially implementing our new curriculum which provides so many activities, crafts, and ways to explore the world around us. Each child's goals and needs will be able to be individually met as we navigate through this curriculum! The two units this month are "Let's Create" and "All About Me". We are so excited to start this school year and have so much fun!!
