

# November

The leaves are falling and there is a chill in the air! What a beautiful time of year! This month our units are *Make it Move* where we will learn about different ways that our bodies move and how we can make things move and *Traveling, Traveling* where we will talk about places to visit and how we can get from one location to another. A few books that we will be reading are "Move Your Body", "Stomp, Wiggle, Clap and Tap", "Hello World" and "Time For a Trip".

Just some reminders that your child needs 3 extra masks here at school. If more are needed it will be written on their daily sheet. Please remember to label all of your child's individual lunch items and as the weather gets cooler any extra clothing that you bring in for them. We will continue to go outside weather permitting to enjoy and explore the different seasons!

Dates to Rememebr:

11/24- Thanksgiving Feast (stay tuned for a sign up sheet)

11/25- BCEEC is CLOSED, Happy Thanksgiving!

11/26- BCEEC is CLOSED

We are so excited to learn about new things this month and can't wait for all of our new adventures! Please feel free to reach out to us with any questions or concerns that you may have.

Thank You! Miss Hannah and Miss Julia
