

Pre-School 2 Newsletter
November 2021

All of the monsters and spooks have left town and the turkeys are taking over! Our November themes are “Make It Move” and “Traveling, Traveling”. We have been doing a fantastic job with beginning tracing and cutting with scissors, so this month we’re going to kick it up a notch and start getting a little more advanced. We’ve also started working on putting our jackets and hoodies on by ourselves so be sure to have us show off our new skills for you! Our November Friday themes will be Plaid (11/5), Patriotic (11/12), and Football Jersey (11/19)!

Some Things to Remember...
