

School-Age Before and After Care Newsletter November 2021

Hello school age families! What a great month October was for us here at Brookside! We had so much fun! The kids especially enjoyed our Columbus Day games we had this year. They built boats, raced those boats, had a coloring contest and word search race, and played a Trivia game. We hope to have many other fun filled days off of school in the future as well! This month's themes for our Gee Whiz Curriculum are "Make it Move" and Traveling, Traveling"

Classroom News and Reminders

Please review our classroom and center's 4 expectations, **BE RESPECTFUL, BE RESPONSIBLE, BE SAFE, and BE A GOOD FRIEND** with your child. These rules are important and necessary in order to keep a fun and happy classroom.

Please label all belongings including book bags, jackets, masks, and anything else that can be misplaced or confused with another child's.

The kids love going outside and we will be going outside after school as long as the weather and daylight allows. Please make sure your child is dressed accordingly

Please remember to be at Brookside at least 10 minutes before your child's bus is due to arrive.

Please make sure your child is not bringing any toys from home to BCEEC, except fidget spinners or poppers. The kids are aloud to play with those as long as they are being responsible with them.

On days when the kids have off of school, please pack lunch items that do not need to be heated up.
