## Pre-School 2 Newsletter May 2022

Our Gee Whiz themes for May are “Growing in the Garden” and “Bugs & Insects”. Our May Friday dress themes will be Flowers (5/6), Food (5/13), Bugs (5/20), and Patriotic (5/27). This month we will be starting a very special project... GROWING BUTTERFLIES! We'll be able to observe the transformation from caterpillars to butterflies, then we will release them!
